

Funding Classrooms, Inspiring Kids!

Our school needs your help. San Ramon Valley Unified School District is the second lowest funded district in the state of California and Walt Disney Elementary faces funding shortfalls in important areas such as our school's librarian, art teacher, computer teacher, instructional technology, and our academic intervention program.

A critical fundraiser for our school each year is our Auction which is put on by the Disney Elementary School Education Foundation, a nonprofit, 501(c)3 run by parents. All the funds raised at this event directly support our students and teachers. Your support is needed to make this event a success and allow us to continue funding these vital school programs. Please help our school by sponsoring this event.
