

Every Disney Family Helping Every Disney Student

Dear Friends of Walt Disney Elementary,

Our school needs your help. San Ramon Valley Unified School District is the third lowest funded district in the state of California and Walt Disney Elementary faces funding shortfalls in important areas such as our school's librarian, art teacher, computer teacher, instructional technology, and our academic intervention program.

A critical fundraiser for our school each year is our Auction. All the funds raised at this event directly support our students and teachers. Your support is needed to make this event a success and will allow us to continue funding these vital school programs. Please help our school by donating **items** or **gift certificates** from your business.

As a parent and volunteer at Walt Disney, I am reaching out to you on behalf of the Disney Elementary School Education Foundation (DESEF), a non-profit fundraising organization (Tax ID# 20-3046825). DESEF was created and is run by the parents of Walt Disney Elementary. Our purpose is to raise money to pay for programs, personnel, equipment, and services not funded by our school district.

In return for your tax-deductible donation, we will promote your business on our online Auction website which is marketed to all the families of our 600+ students. In addition, your online auction listing will link directly to your website. Sponsorship and advertising opportunities are also available.

Donation deadline: All donations need to be received by February 2, 2019.

Auction: February 23 – March 5, 2019

Thank you for your consideration. Together we can truly make a difference!

Sincerely,
Elise August, Auction Director
