

Fourth Grade Supply List

Welcome Parents and Students to the New School Year!

This is an important year, as it is the transition year to the upper grades. In order to offer your child an enriched program, we would like to ask for a voluntary donation of \$90. The donation money will be used for student planners, homework folders, art supplies, reading and math support materials, copy paper, project expenses, and two of four field trips.

These are suggested supplies that your child will benefit from having throughout the year:

Classroom donations will be requested during the registration period. Thank you for your cooperation and support. All supplies and donations are recommended. No curriculum or educational experience will be denied to students who do not bring items.

We are looking forward to a wonderful year ahead.

Sincerely,

The Fourth Grade Team
