

Fifth Grade Supply List

Welcome to the New School Year!

This year the 5th grade team has streamlined the classroom supply list process! Our hope is that each family will donate \$90.00 to the classroom fund and make the minimal EPI purchase. We are requesting each 5th grade family make a classroom donation of \$90.00 at the time of on-line registration. This \$90.00 donation will cover almost ALL of the supplies your child will need for the school year. The donation money will be used for student planners, a 3-ring binder, 5 color coded binder folders, art supplies, pencils, glue, and all other support materials. This is an extremely important year, as it is the transition to middle school. We will implement a student organizational system. Having identical student supplies are critical to the success of the program!

In addition to the \$90.00 donation we are asking that you purchase a supply pack from the school sponsored EPI packs.

Our hope is that families are able to make the classroom donation of \$90.00 and purchase the inexpensive EPI pack. EPI supplies will be delivered directly to your child's classroom prior to their arrival on the first day of school. These are suggested supplies that are included in the EPI pack, or available for purchase at your local store:

- 5" Sharp Scissors (1)
- Elmer's Glue Stick (4)
- Sharpie Black Ultra Fine Markers (2)
- No2 Presharpened Pencils (24)

Classroom donations are requested at the time of registration, and are a recommendation. No curriculum or educational experience will be denied to students who do not bring items.

Thank you in advance for your cooperation and support. We are looking forward to a wonderful year!

Sincerely,
The Fifth Grade Team
