

Preschool Grade Level Donation

Grade Level Donation

Most grades provide you with a list of supplies that they ask you to purchase.

The Preschool program requests a \$50 Grade Level donation to cover:

Kleenex, Clorox wipes, bubble solution, glue sticks, shaving cream, sensory table materials (rice, beans, cornstarch) and additional art materials.

We will always appreciate and accept any donation. All donations are recommended. No curriculum or educational experience will be denied to students who do not donate. Thank you so much for your help and support!

Sincerely,

The Preschool Teachers
